

CONTRACTOR PROVEN – FOR DECADES!

Bartell's line of power trowels has been the gold standard in the industry for decades! High-quality and precision-balanced construction provide smooth, easy operation.

The COMMERCIAL models are versatile and economical, often outperforming competitors' more expensive models!

FEATURES

- Precision balanced for smooth, easy operation
- Robust gear box with high tensile steel shafting for long life
- Cast iron spider assembly and precision ground arms for tight tolerances and faster troweling
- Includes blades (combination or finishing)
- Centrifugal safety switch
- Throttle control on handle
- Hoist hook and Pro-pitch available as optional upgrades
- Optional muffler for safe indoor use
